PUBLIC EDUCATION FUND

“ The partnership between the Ed Fund and Salesforce.org has proven that alignment between business and school districts can have a powerful impact on the lives of students. The Gala furthers these great relationships by celebrating partners and encouraging them to support making schools in Oakland great. ”

- Dr. Ron C. Smith,
Senior Director of Educational Initiatives, Salesforce.org

SATURDAY, OCTOBER 5, 2019 | SCOTTISH RITE CENTER

Bringing together 350 guests at the Scottish Rite Center, the Ed Fund's annual gala is the city's only event supporting all Oakland public schools. The Gala is a glamorous evening that supports the Ed Fund's work to give Oakland kids the opportunities and tools – from winter coats to classroom grants to volunteer support – that will set them up for success. Great things are happening across the District, and our gala is a chance to celebrate Oakland schools and our inspiring students.
